INVITATION 23.06.2014

# Welcome to Ringette Festival 2014 in Stockholm, Sweden.

On behalf of Swedish Ringette Association Sollentuna Hockey and Kista Hockey wish you a warm welcome to Ringette Festival 2014. The Festival will take place in Stockholm, Sweden **29th Dec 2014 – 3rd Jan 2015**. The Swedish ringette clubs, Sollentuna Hockey and Kista Hockey are looking forward to hosting this event at Sollentunavallen Arena and Husby Arena north of Stockholm.

**All countries are welcome** This tournament is meant for national club teams from Finland, Canada, USA, France, Slovakia, Russia and Sweden. We are planning to organize group play (total number of groups will be decided after registration) ending with finals (the objective is at least five games per team). We ask that all team applications should be made through the Swedish Ringette Association, please email [ringettefestival@gmail.com](mailto:ringettefestival@gmail.com).

**Three Age Groups** The tournament is divided in three age groups; **U12** (in Sweden girls age 13 and under), **U16** and **Senior** (age 17 and above). There will be possibilities for dispensation for older players in order to establish fun and fair play. The U12 tournament starts December 29 and ends with final play January 3. The U16 and Senior tournaments starts January 1 (in the evening) and ends with final play January 3. The games in age groups U16 and Senior will be scheduled in order to enable participants to play in both tournaments if some teams would like to do so.

We would also like to welcome everyone to a “New Year 2015 get- together” for all participants. The party is taking place December 31<sup>st</sup> at Scandic Star in Sollentuna.

**The registration fee** 550 CAD (350 €) per team for the festival. Please note that meals and accommodation are not included in the fee, it's for registration only. Food will be offered at several locations at and around the arena. An offer regarding food reservation for team members will be sent out after registration.

**Team Entry deadline** **September 1st 2014**
